Instant GratiFACIAL

Very Vegan Organic Facials

Finally...after many long and hard journeys, we have stumbled across a secret source of organic ingredients for your skin! Our travels brought us to the land of Eastern Europe, where we have tapped into the ancient facial recipes shared among Hungarian women for generations. And we have brought the secret back! Using pure organic fruits, vegetables and herbs handmixed with mineral spring water from Hungary, these are not your blah organic facials...they will perform potent wonders on your skin!

30 mins \$55
8 Greens Detoxifying Facial
 Detox Facial

Purge out gunk, toxins and other skin sins. The mighty vegetable power of 8 Greens detoxes your skin of all breakout ills while the purifying Thermal Spring Whip moisturizes and rebalances skin.

8 Greens a day
 Keep the breakouts
 at bay!

30 mins \$55
Herbal De-Spot Facial
 For oily, acne skin

Enraged skin is gently cleansed with minerals before treated with the super active healing Hungarian Mud mask. The slightly warm thermal volcanic mud relaxes and cures skin. Zoom in on angry red dots with the wonderful de-spottifying Herbal serum that diminishes spots for good.

Herbal bubble,
 Spots no more trouble!

30 mins \$55
Fresh Pear & Green Apple Facial
 For sensitive, dehydrated skin

Dry and sensitive skin is balanced with the lightness and freshness of pear and green apple. A good dose of Vitamin C and sweet sugar plum will leave you feeling as if Spring has come alive on your face!

Sweet and crisp, keep it neat!

30 mins \$55
Chocolate Fountain of Youth
 For mature, dehydrated skin

Rich chocolate melts the years away. Cocoa from East Europe contains high antioxidants and bioflavonoids, which soothe and repair skin beautifully. A scent-sational treat that infuses skin with youthful goodness!

Choc-a-block, my skin rocks!

30 mins \$55
Sweet Red Rose Facial
 For normal, combination skin

Sweet red rose is perfect maintenance for skin needing a lil boost in the light direction. With high antioxidants properties, it purifies, regenerates and rebalances skin. Be a sweet red rose in the pink of health.

Roses are red, violets are blue
 My skin is so smooth, so can you!

30mins \$55
Sour Cherry Squeeze
 For enlarged pores

The tartness of sour cherry naturally shrinks and shrivels pores to non-existence (well, almost). Then, the 8 Greens Serum smoothie pumps up skin with vegan goodness for a clear and smooth finish.

Cherry! I shrunk the pores!

Booster

\$50

Tired of peels that irritate your skin? Instead, try the all natural yam and pumpkin peel or the warm paprika peel. An extra-extraction extricates stubborn sebum so skin is left beautifully clean, clear and glowing. Aah!

Yam! I've been pumpkin!

All facials end with a sweep of **Powder Puff!**

A silky smooth finish to your facial. An all-fruit based loose powder imparts a soft glow that also protects and defends against the sun's rays. To seal in the dewy effects, we use the magnificent Stone Crop mist toner.

10 mins
