

Since 2000, SCO has been exploring and defining the alchemy of a perfect complexion. Our speciality is creating highly personal, custom skin care products formulated to address an individual's unique needs. Now the fruits of our experience are available to everyone, with SCO essentials.

SCO essentials are meticulously balanced formulas of our most requested, micro-targeted problem solvers. Our goal is addressing universal skin concerns for healthy and more radiant skin, through result driven, pharmaceutical-grade ingredients and botanical extracts.

Share in our experience – know how effective SCO skincare can be.

SCO
essentials

**Purifying Cleanser II** > contains: lavender, soy, willow bark, flower acid

Detoxifying formula removes impurities and rejuvenates to increase cell renewal. Slightly foaming gel cleanser imparts a clean, non-drying finish. Gentle yet thorough cleansing.

**Refining Face Scrub** > contains: papaya, lemon, juniper berry, flower acid

A gentle non-abrasive treatment that dissolves impurities and dead surface cells. Improves skin texture by stimulating cell renewal. Clarifies, softens skin and provides a healthy glow. Highly restorative and cleansing.

**Antioxidant Booster** > contains: aloe vera, green tea, ginkgo biloba, ginseng, vitamins a, c & e, flower acid

A topical vitamin for the skin. An intensive treatment that helps to control and protect against environmental damage. Antioxidant enriched blend is for re-texturization and targeted skin repair. Liquid, water like texture. Provides light hydration and skin softening properties. Can be used as a moisturizer for oily skin conditions.

**Clarifying Complex** > contains: molasses, mushroom, willow bark, flower acid

Clarifies and brightens a dull complexion. A treatment that helps to diminish and prevent skin discolorations/hyper pigmentations and dullness. Delivers clarity correcting ingredients for a brighter and clearer skin tone. Antiseptic properties help to minimize breakouts and minor skin irritations. Perfect for all skin types.

**Hydrating Eye Cream** > contains: acetyl hexapeptide 3, ginkgo biloba, vitamins a, c & e, flower acid

Restorative formula improves and prevents fine lines, wrinkles and others signs of ageing. Non-greasy cream penetrates immediately to hydrate, renew, firm and improve overall skin texture.

**Firming Eye Lift** > contains: caffeine, vitamins a, c, & e, bitter orange extract, flower acid

Effective at combating fine lines, dark circles and under eye puffiness. This soothing gel absorbs quickly to revitalize and firm. Offers medium weight hydration and brightens the eye area.

**Conditioning Face Lotion - Oil Free** > contains: algae, soy, willow bark, flower acid

Hydration and balance without mineral or vegetable oils. Protects and nurtures the skin without congesting. Non-greasy, luxurious gel/lotion texture absorbs immediately.

**Conditioning Face Cream II** > contains: milk protein, palmitoyl tripeptide 3, vitamins a, c & e, willow bark, flower acid

A re-texturing cream for skin in need of moisture and protection. This formula offers intense antioxidant benefits while improving skin texture. Reinforces elasticity and suppleness by combating dryness and dehydration.

**Lip Balm**

Non-sticky, semi-matte, transparent lip balm. Unbelievably smooth texture and very long lasting. Conditions, soothes and hydrates. Can be worn alone, under or over lipstick.

**Ultra Soothing Face Mask** > contains: calendula, milk protein, flower acid

Calms, soothes and re-balances a fatigued complexion. Provides skin softening and light hydration properties to improve skin texture.

**Oil Free Face Shield - SPF 30**

Fast absorbing and oil free. Fragrance free, transparent and matte finish formula. Non-greasy physical and chemical sun block that protects your skin throughout the UVA spectrum (causes ageing). Provides 30 times your natural sun protection against UVB (causes burning). Smooth silky texture, can be used as a make-up primer over moisturizer.

**Body Moisture** > contains: rosemary, peppermint, soy, flower acid

A powerful, intense hydrating body cream. Effective body care to revitalize and improve serious dry skin conditions. Skin softening formula works to stimulate and increase cell renewal. Dry finish, absorbs quickly.

**Body Polish** > contains: papaya, aloe vera, cucumber, flower acid

Unique combination of buffing beads works to provide superb exfoliation. Notably eliminates roughness, smoothes skin and restores clarity. Re-texturizes and softens to improve skin appearance. Slightly foaming and non-drying.

**SCO Scent**

Eau De Parfum. Clean. Modern. Fresh. A unisex fragrance that is a subtle blend of bergamot, white blossoms, amber, musk and citrus. A pure, complex and understated fragrance. Delicate – wears differently on each individual.

**SCO Scent Candle**

A sheer and delicate representation of the SCO scent. Minimum burn time is 45 hours. Provides a very clean, even burn and non-blackening wick. An elegant candle.
